

Domaine Bruno Clavelier Vosne-Romanée La Combe Brulée VV

ABOUT THE ESTATE

- Bruno Clavelier founded his eponymous estate in 1988, and in doing so was the first of the family to bottle his own wines.
- Clavelier's parents and grandparents were pioneers in organic farming and chemicals or potassium fertilizers have never been used. He now farms biodynamically, with certification achieved in 2005.
- The vines here are mostly very old, planted in the 1930s and 1940s, and produce naturally low yields.
- Vinification is with minimal intervention, including natural yeasts and minimal SO2 additions.
- These are wines that speak of classic Burgundy and are some of the best in their appellations.
